## July 2026 Edition

### ■ FROM THE RECTOR

Friends, summer at the lake has a rhythm all its own - unhurried, generous, and full of light.

Wherever the season takes you, know that the red doors are open and a place is kept for you.

### ■ AROUND THE PARISH

Vacation Bible School registration is open through the parish office.

The memorial garden dedication drew a wonderful crowd - photos are on the website.

Choir rehearsals resume the last week of August; new voices are always welcome.

### ■ SAVE THE DATE

Blessing of the Backpacks - the Sunday before school begins.

Lakeshore Cleanup Saturday with our community partners.
